Article number	: IS1220
Name	: Projecta IS1220 Emergency start booster, 12V 1200A
Category	: Start boosters
Price (excl.)	: € 155,00
Brand	: PROJECTA
Priority	: Yes

- RRT (Rapid Recharge Technology)
- Ultra Safe Lithium Iron Phosphate LiFePO4 batteries
- Clamp power: 400 A
- Peak power: 1200 A
- LED work light, 180 Lumen
- IP53
- USB powerbank, 12000 mAh 5 V
- Battery capacity 3 Ah 12 V
- Compact and rugged
- Weight 0.8 kg

Features:

- Reverse polarity protection
- Over current & over cranking protection
- Surge & over voltage protection
- Battery & switch over temperature protection
- 2000 battery cycle – 4X longer than conventional lithium batteries

Contents:

- Spark free clamps (length 27/31 cm - 10 mm2)
- Storage bag

- 12 V USB charger 2.1 Ah
- USB charging cable
